Createspace, United States, 2014. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.THE HEDGE FUND - WHERE BLOOD MEETS MONEY Since 1959 Fidel Castro's Cuba has struggled along ninety miles off the coast of Florida, treated alternately as a threat and an economic basket case by the American colossus to its north. Several generations of immigrants, mostly from Havana, have all but taken over Miami and found their way quickly into political and financial power throughout much of the American establishment. The Hedge Fund deals imaginatively with how all this plays out when the boisterous daughter of a wealthy, established St. Petersburg family, the Landaus, marries the son of a ruthless, upward-striving Cuban financier whose overnight rise depends on his connection to the Trafficante wing of the surviving Cosa Nostra. The patriarch of the St. Petersburg contingent, Sylvan Landau, is a witty, mordant Jewish savant and economist in his mid-sixties who settled years before in Florida to try and improve the health of his aristocratic wife, Louisa - Weezee - the flower of a decayed Philadelphia Main Line family. Through investments, largely in local up-market real estate, Sylvan has compounded the family holdings into a fortune and ridden up the local boom. When his new son-in-law's father, Ramon Perez y Cruz, presents Sylvan with the chance to in effect mortgage most of his better properties to a hedge fund the Cuban has established and cash in on a vast position in beach properties on the island of Cuba itself now that Castro is relinquishing his grip, Sylvan cannot resist. Sylvan's son and the narrator for the novel, Michael, a lawyer in his early thirties who has grown up in his father's shadow, is dubious from the...
