Pages Number The: 95 Language: Simplified Chinese Publisher: Southwest Jiaotong University Press; 1st edition (August 1. 2010). CNC mold technology skills training vocational and technical education planning materials CNC technology base module by Sichuan Science and Technology Vocational College Training Center CNC skills teaching team organized the compilation. CNC mold technical skills training vocational and technical education planning materials CNC technology base module includes the entry of CNC machine tools. processing basis. CNC machining process on the basis. CNC machining basics of programming and other content; design the structure of the project tasks. each The tasks include training purposes. training guide. operating practice. attention. thinking the question part. Contents: The project of a CNC machine entry task 1.1 recognize 1.2 Computer numerical control system for CNC machine tools task workflow tasks 1.3 CNC interpolation principle Task 1.4 CNC tool radius compensation task 1.5 CNC machine tools coordinate system project processing process on the basis of task 2.1 of the production process and technology the process of task 2.2 workpiece to obtain higher accuracy task 3.3 2.3 workpiece machining...

Reviews

The ebook is straightforward in go through preferable to recognize. It typically does not charge too much. Its been designed in an exceptionally straightforward way and it is just following i finished reading this book where basically altered me, affect the way i really believe.

-- Dr. Reta Murphy

It becomes an amazing pdf which i actually have at any time read through. This can be for all those who statte there had not been a worthy of reading through. You wont sense monotony at anytime of your own time (that's what catalogues are for relating to should you check with me).
