### Reviews

*A high quality pdf as well as the typeface applied was exciting to see. It really is written in simple words and phrases rather than difficult to understand. You will not really feel monotony at any time of your time (that's what catalogs are for relating to in the event you question me).*

When the body of a young man washes up on Little Manly Cove, Detective Inspector Georgia Show is surprised to find a piece of green rope around his wrist. This looks to be an accidental drowning, but is it? A yellow kayak washes up at Dee Why Beach; can this hold the clue to what really happened? Is there any connection between the drowning and the suicide? What is happening on Sydneys Northern Beaches? A Lifesavers Secret is the second in the Manly Murders series by Gunilla Haglundh, who has a knack for taking the reader through a tale of seemingly unconnected people, events, family secrets and social media bullying. There is definitely more to the green rope clue. This novel is guaranteed to keep you guessing until the last page. About the Author Gunilla Haglundh is an author and business journalist. This is Gunillas twenty-first book and her second fiction novel. Her other books have mainly been about SME and private finance. Plans for the Manly Murders television series...
