Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from The Teacher and the Child: Elements of Moral and Religious Teaching in the Day School, the Home, and the Sunday School This little book is published in full consciousness of the quickened interest in the child and his education, whether intellectual, moral or religious, which is so marked a feature of the new century in all the most progressive nations of the world. Owing to this deepened interest in the child, his nature and his nurture, volunteer and professional educators alike are beginning to look earnestly towards sociology and the sciences of psychology and ethics for guidance and help in their work. In the following pages, certain aspects of education, especially the moral training of young children, are treated with the greatest possible simplicity, yet an effort is made to present some of the most recent and living thought with which these associated sciences supply us. The book, which is new, if at all, only in aim and setting and not in subject-matter, is not written for the initiated few, but for the interested many....
