## The Effects of Adult Women Education - Impact Evaluation of a Program in Chiapas

By Monica Schuster

GRIN Verlag. Paperback. Book Condition: New. Paperback. 84 pages. Dimensions: 11.7in. x 8.3in. x 0.2in. Masters Thesis from the year 2008 in the subject Business economics - Didactics, Economic Pedagogy, grade: 1. 0, Universit degli Studi di Milano, 50 entries in the bibliography, language: English, abstract: The study presents the findings of a qualitative evaluation of a women education program in Chiapas, implemented by the Mexican microfinance Ngo, Alternativa Solidaria (AISol). The paper tries to assess the effects of the intervention on womens income and households living standards, womens empowerment and mobility, womens and childrens health conditions and confidence in modern health posts, as well as childrens primary and secondary school enrollment. In the last section I moreover try to explore which participants or implementation characteristics positively influence womens performance in the program. The experimental design is based on cross sectional data on program beneficiaries and non beneficiaries. Propensity score matching was applied to available baseline data to reduce observable pre-program differences between treatment and control groups. Results suggest that the program has a positive and significant impact on womens income, although no immediate repercussion on the household living standard is detected. Similarly, womens probability of participating in intrahousehold decision making...
