### Reviews

*This book will not be simple to get going on reading but extremely exciting to read through. Yes, it can be play, still an interesting and amazing literature. I am very easily could possibly get a delight of reading a written book.*

Virtual Artists Collective, United States, 2013. Paperback. Book Condition: New. 198 x 122 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The happenstance of the journey reveals the truths that Deborah Nodler Rosen captures in SIGHT/SEER. Whether at the bottom of a mine in Australia or swimming in the Amazon, the joy is always in the unplanned experience and what it teaches. Meeting a bogey man in Indonesia or praying in a Buddhist monastery, she finds beauty and compassion hidden in the interstices of the world. Despite the cliched warning, she talks to strangers and even discovers cousins in the Ukraine. As Marvin Kalb, senior Advisor to the Pulitzer Center writes, Deborah Rosen- both sight and sightseer as she put it, wandering the globe, spinning tales in poetry so gorgeously tender, filled with poignant insights, you want the journey never to end. Rosen proves one word, properly chosen, one phrase beautifully constructed can light up the world.
