Sylvie has always known that Vonny is a Lesbian and has met many of her past girlfriends. But she has always been a little scared for Vonny as in her time growing up she knew there was a stigma against being Gay, and Sylvie should know as she was caught up in a secret relationship with a girl named Kay. Due to peer pressure the romance fizzled out and the two girls went their separate ways. This meant living a lie for Kay in a loveless, sexless marriage, where for Sylvie she concentrated on bringing up Vonny. Vonny has now fallen in love with her girlfriend Fern and thinking she is The one, she thinks it is now time their Mothers met. But is Vonny ready for the shock that awaits her when she realises that Fern Mum Kay, is her Mum s secret Lesbian lover from the past. With the two older Women being unloved and sex starved for several years could this meeting rekindle their feelings for each other? How has the the passing of time affected how they feel about each other? But more importantly how is the news going to affect both girl s Mother and Daughter relationships?
