Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: French . Brand New Book ***** Print on Demand *****.Excerpt from *Lecons Cliniques sur les Teignes: Faites a l Hopital Saint-Louis* Les affections de la peau sont malheureusement peu connues de la plupart des medecins, les teignes encore moins peut-etre que les autres, c est pour en vulgariser la connaissance que ces lecons ont ete faites l an dernier a l hopital Saint-Louis, le dimanche matin, les malades sous les yeux et appuyees de demonstrations microscopiques; j ai voulu ne rien avancer que je ne pusse immediatement demontrer, c est la leur seul merite. Le lecteur ne trouvera rien qui n ait ete deja dit avec une grande autorite par mon illustre predecesseur, M. Bazin; mes etudes ne sont que la confirmation des siennes en tres-grande partie du moins; je les ai faites sans idee preconcue, ne cherchant que la verite; je me suis efforce d etre aussi clair, aussi elementaire et aussi pratique que possible. Je n aurais peut-etre pas songe a publier ces lecons si elles n avaient ete reproduites dans un journal de medecine, tronquees et defigurees; j ai du alors prier un de mes internes les plus distingues, M. le docteur Landouzy, de les rediger et de les publier dans le *Progres Medical* (1876-1877); il s est acquitte de cette tache avec un zele et un soin dont je suis heureux de pouvoir le remercier ici. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
