Brand New Book ***** Print on Demand *****.The scout stood where three roads cut three green tunnels in the pine woods, and met at his feet. Above his head an aged sign-post pointed impartially to East Carver, South Carver, and Carver Centre, and left the choice to him. The scout scowled and bit nervously at his gauntlet. The choice was difficult, and there was no one with whom he could take counsel. The three sun-shot roads lay empty, and the other scouts, who, with him, had left the main column at sunrise, he had ordered back. They were to report that on the right flank, so far, at least, as Middleboro, there was no sign of the enemy. What lay beyond, it now was his duty to discover. The three empty roads spread before him like a picture puzzle, smiling at his predicament. Whichever one he followed left two unguarded.
