Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The ultimate success in life is not achieved by triumphing good over evil, rather harmonizing the element of dark and light in us. It is this balance that sustains that everything that ever existed in this cosmos. My each verse in this book, is a contemplation or attempts to comprehend that greater balance that exists beyond our current mundane mind. The first poem Monster tells us that the monsters you fear exist not in elsewhere other than in you; While the Poem Choice whispers the secret of freewill in this life, whether you choose right or the wrong, each choice is an adventure of its own to build your soul and spirit; that whatever is breaking you is making you in some way. Hence, each poem is a secret wisdom for you to unravel. It might not give you the same insight that one person grasp while reading this book, but the ultimate purpose is to incept the very idea of that great existential truth as a human being we have on this earth.
