Uncle Wiggily Longears is the central character in a series of nearly 18,000 children s stories, all written by Howard R. Garis, beginning in 1910. The stories began as a serial in the Newark News, with a new story appearing six days a week for thirty-seven years. The elderly rabbit gentleman relies on a red, white, and blue, barber-shop pole, walking stick due to his rheumatism. He lives with a muskrat house-keeper named Nurse Jane Fuzzy Wuzzy and frequently gets into adventures with his other animal friends. The character also spawned picture books, comic books, toys, board games and many other collectibles. Unfortunately, most of the books have been out of print for many years, available only in antique shops, if one is fortunate enough to locate one. As Uncle Wiggily was the favorite series of our CEO, Starry Night Publishing has opted to begin reprinting some of the Uncle Wiggily stories, to share them with future generations.
