Fate determines our choices, but our choices determine our fate. Sick of her parents constant arguments Rose looks forward to spending time with her friends fighting evil. Vampires, werewolves, witches, shes faced them all. But soon a stranger walks into her life, handsome and heroic; a demon with glowing eyes of fire terrifies her and her friends; and a prophecy speaks of the imminent arrival of Satans Emissary. All this threatens to upset her world and make her question what is good, and what is evil. 63 000 Words Rose woke to the church bell chiming three times. Immediately, she felt the irrational fear of not being alone in her room. The darkness made shadows seem intimidating and every noise sounded like a footstep. Every sigh from the breeze outside was an intake of breath. But more than that, she knew eyes watched her. She looked around her room and wished she was in her bed to pull her covers tight against her for a sense of security. A false sense of security, but security nonetheless. And then her eyes fell onto the two fiery dots staring at her. This item ships from La Vergne, TN. Paperback.
