This book deals with the history of the Apostolic Pentecostals in the twentieth century. Starting in the early days of the Pentecostal revival noting that the early church always baptized in Jesus name which prompted this group to do the same, and raised questions about the doctrine of the Trinity. Stanley Wachtstetter is the author of the book has lived in the center of this revival and is a witness to the development of this movement. He has been an unofficial representative of the various oneness Pentecostal groups to the White House and Congress for many years. In this book he outlines the two key ingredients to the subject of baptism in the name by setting forth the development and explanation of the name of God and also dealing with the subject of water baptism from the creation of the world to the book of Revelation. He systematically outlines baptism from antiquity through the Jewish tabernacle and proselyte baptism through the teaching of Jesus and the great commission, and the development of it through the Acts of the Apostles and ultimately a reflection of its meaning in every scripture in the Epistles. reviewed by: Bishop Samuel Smith, General Chairman, Apostolic World Christian Fellowship: Stan Wachtstetter is a pioneer in Apostolic ambassadorship; politically, national and international; religiously, denominational and interdenominational. In this dimension, he stands alone. His unique abilities have gained the ears of leadership across these varied fields, which in turn has benefited the Apostolic movement immeasurably. He brings his life experience into a scholarly focus to present the essentials of the biblical New Birth message with clarity. I find it difficult to believe that anyone who reads...
