Reviews

This book is fantastic. It is really simplistic but surprises inside the 50 percent of the publication. I am just happy to inform you that here is the very best publication i have read through inside my individual life and can be he greatest book for actually.

CHAPTER II ON THE SENTIMENT OF THE NECESSITY OF CHANGE Move- Two circumstances arrest the attention of ments of those who turn their regard to the present E?g! sh political condition of the English nation-- first, that there is an almost universal sentiment of the approach of some change to be wrought in the institutions of the government, and secondly, the necessity and the desirableness of such a change. From the first of these propositions, it being matter of fact, no person addressing the public can dissent. The latter, from a general belief in which the former flows and on which it depends, is matter of opinion, but one which to the mind of all, excepting those interested in maintaining the contrary is a doctrine so clearly established that even they, admitting that great abuses exist, are compelled to impugn it by insisting upon the specious topic, that popular violence, by which they alone could be remedied, would be more injurious than the continuance of those abuses. But as those who argue thus derive for the most part great advantage and convenience from the continuance of these abuses, their estimation of the mischiefs of popular violence as compared with the mischiefs of tyrannical and fraudulent forms of government are likely, from the known principles of human nature, to be exaggerated. Such an estimate comes too with a worse grace from them, who if they would, in opposition to their own unjust advantage, take...
