A Silent Cry is a book on real life issues that people has faced and challenges that were presented. Day by day people live their lives not really seeing or hearing the Cry in the Land. One day my eyes were opened and my heart poured out and I was able to discern the cry of the people. Whether it was youth acting out, going to prison, disrespecting their parents, failing in school or adults running from responsibility and accountability. I discovered that there was hidden pain and realized the pain was deeply rooted. In order to face these issues there has to be closure to rebuild. Maybe you were abandoned, molested, neglected or battling with low-self esteem you are still somebody. God turns situations that look impossible around. Through reading this book you will be introduced to youth as well as adult struggles and how through it all they made it over and are pressing forward to reach their goals. No matter the struggle, no matter what it looks like YOU can make it. The purpose of this book is for someone to realize that whatever obstacles that is in your life or situations you have faced, you have options, Ask, Seek and Knock then Believe, Receive and Achieve. The battle is not giving to the swift nor to the strong but to those that endure to the end. This battle is not yours it is the Lord s. Don t look back.I know you can make it. I am rooting for you. You have fought a good fight of faith now hold on to eternal life with everything you have.
