Follow a scientifically-prepared and doctor-recommended program? A program which is simple, effective, and natural? A plan which doesn't mean you end up eating oranges, spinach, and drinking buckets of water? A program which lets you look, feel, and be better? According to written reports from actual users this book answers all those questions. **READER REVIEWS** The book works. It gets 5 well-deserved stars. A long title, but the manual is packed with solid information. . . this book gives choices that are simple and easy to follow in everyday living. It is not a fad-diet that controls your every movement. . . there was a lot of other valuable stuff included, like chapters on how to stop depression and ways to increase your energy. This book on how to lose weight is probably the best book I have ever read on the subject. It is a good book. As one of the first readers of this book wrote to us, I feel better, several friends have told me I look better, and I know that I am shopping for and eating better natural products. I know I am healthier. This book works. Weight loss is vitally important to many, whether for health or appearance. This book covers both issues, stressing natural and healthy approaches so that you can live better and enjoy life more. The married team of highly experienced researchers/writers clearly and simply show how to do just that fast. This acclaimed book proves that it is completely wrong to think that to reduce weight you have to eliminate all favorite tasty foods from your diet. The...
