Students today are busy and do not have the time or the focus to wade throughout 150,000 words. This book (and others planned for this series) is about 75,000 comprised mostly one, two or three syllable words, roughly half of the usual length. 3.The timeliness of coverage. This book addresses current topics (Obamacare, the effect of the recession on management, global differences in management style, the increasing relevance of control in managing organizations, disappearing human resources...
