*Extensive guideline! Its such a great go through. It is definitely basic but surprises in the 50 % of the pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.*

When Esther Greenwood wins an internship on a New York fashion magazine in 1953, she is elated, believing she will finally realise her dream to become a writer. She finds herself spiralling into serious depression as she grapples with difficult relationships and a society which refuses to take her aspirations seriously.
